August 2016	Mill Road walls were reported to Ian Daniels as falling down/bulging.	Ian Daniels/Jan Chalmers		25th October 2020 Ian Daniels has advised we need to find out ownership of this wall before proceeding any further	
August 2016	Residents complaining of no safe area to cross from chemist side of square to other shops	Ian Daniels	Future Vision/CC	August 2016 Ian Daniels said he speed was reduced to 20mph in the square and the best place to cross is to use the existing crossing. The square was designed without traffic markings to further reduce traffic sped. Controlled crossing were looked at but the design and the 20mph speed limit led to them be omitted. November 2019 Ian stated there is a new scheme that looks at crossings within town centres and has agreed Meldrum could be looked at again. There is a points system that they use now and Ian will
