Work Parties

The new path connecting Beech Walk and the recently completed path behind Glack House is now progressing at pace with good turnouts of volunteers.

Much of the remaining storm damage has been cleared and grass cutting of verges etc. is well underway.

Other Activities

The Chris Smith Memorial 5K Run will take place on 27th. August (now to be an annual event) and detailed planning is in course. It is hoped that this will be another enjoyable event for runners of all abilities. Children's Races including a biathlon will also be included.

In conjunction with DAIG the Trust is exploring ways to incorporate permanent attractions for children within the wooded areas and this may include Animal Carvings, making use of the storm damaged timber.
