

DAVIOT COMMUNITY TRUST SC 041081

Report for April. 2024

Last Saturday saw the first work party session for 2024. A good amount of work was completed including finishing off putting mulch around the newly planted 1,350 trees and putting chippings down on one of the informal trails in the woodland.

The surface damage to some paths caused by the storms will be undertaken this coming Saturday.

The AGM takes place at the Church Annexe on Wednesday, 8th. May.

The Chairman continues to emphasise the urgent need to recruit more volunteers from the community to assist with ongoing maintenance and other duties as a number of the current team have been involved for over fifteen years and are getting less able.
